

Tempe offers quality summer camp options to keep youth active and engaged this summer. New this year, we are offering a Supervised Camp Lunch programs at the Kiwanis Recreation Center for campers registered in both the morning and afternoon camps.

Weekly Camp Schedule on Reverse Side.

Archery Headquarters; Archery Camp

Beat the heat in Archery Camp. All levels of archers welcome to attend. Learn archery safety and develop confidence on the range. Improve and refine form and fundamentals.

Arizona Science Center®; Summer Camp (ASC)

Innovation drives the energy behind these hand-on camps, giving youth the opportunity to explore all subjects using skills learned during inquiry-based processes. Weekly Camp Themes: Mummies and Egypt, NASA Astro Camp, and the Science of the Desert.

New! Crochet and Craft Camp

Discover crocheting. Children will be introduced to crochet tools and terms as they learn basic stitches and create a project in camp. Campers will also create a fun arts and crafts project each day. All materials provided.

New! Dungeons & Dragons Camp (D & D)

Prepare to go on an adventure with an experienced Dungeon Master in a magical land. This structured role-playing game will present age-appropriate challenges and different themes each session, including Candyland, Fantasy Elementary and Fantasy High.

New! Marvelous Scientists Camp

Enter the scientific community and learn to view the world around you differently. Together we will be exploring robots, bridge building, rockets, aerodynamics and soldering all while building real world engineering skills. At the end of camp, you will battle against your fellow scientists to determine who is the greatest everyday engineer.

Play-Well TEKologies®; Animal Adventures with LEGO®

Let your imagination run wild with tens of thousands of LEGO® parts as we design and build leaping dolphins, buzzing beehives, and towering giraffes. Play, create, and learn in a world inspired by the animal kingdom. Design and build as never before and explore your craziest ideas.

New! Play-Well TEKologies®; Bash 'Em Bots using LEGO®

Design your custom LEGO® bot to take on any challenge. Mix and match chassis designs using wheels, treads or walking legs. Combine these with tools like drills, hammers, and battering rams as you refine your masterpiece by sparring with friends and overcoming obstacles. Apply real-world engineering and physics concepts to help you bash and crash your way to victory.

New! Play-Well TEKologies®; LEGO® Engineering Design Challenge

Get ready to take your engineering skills to the next level. Our instructors will introduce mechanisms to get your gears turning. Go head-to-head or work towards a new personal best as we apply real-world concepts to LEGO® challenges.

New! Play-Well TEKologies®; Mickey's Fairytale Adventures using LEGO®

Join our fun and knowledgeable Play-Well Instructors as we use LEGO® materials to recreate our favorite animated friends and their worlds. After building our most beloved princesses, villains and sidekicks, get ready to explore enchanted castles and fly on a magic carpet. All we need is your creativity and a little magic to bring it to life.

Play-Well TEKologies®; Minecraft Engineering using LEGO®

Venture into the world of Minecraft in our unique LEGO® experience. Get ready to build your base, craft your tools, use your Minecart to harvest raw resources, and battle to stop the Ender Dragon from ending the world. Come explore the endless possibilities of LEGO® with a trained Play-Well instructor.

Play-Well TEKologies®; Minecraft Master Engineering using LEGO®

Bring your favorite Minecraft adventures to life with our enthusiastic Play-Well instructors. In a Minecraft world powered by LEGO® resources, we will build shelters to keep out Creepers, craft mystical items that only true masters can wield, and perfect our crossbow skills to stop the Wither from taking over.

Spanish 1 Camp; Beginning Spanish

A full-immersion, language-learning summer camp for youth. Students will learn basic vocabulary and phrases through engaging games, arts and crafts and more. Children will learn about Hispanic culture and become familiar with commands, daily expressions and vocabulary.

Spanish 2 Camp; Beginning Spanish

Let's keep practicing. Improve your listening and conversational skills and expand your Spanish vocabulary learned from Spanish 1 camp. Explore Hispanic culture even further.

New! Sports, Games and Activities Camp

Kids will enjoy a fun-filled camp while making friends and staying physically active. A new sport will be introduced each day, and the fundamentals of the sport will be taught followed by game play. Campers will also engage in a variety of active group games, fitness classes and water play.

Summer Youth Volunteer Program

The Summer Youth Volunteer Program is open to students in middle school, high school and college.

Teen Leadership Academy—gives teenagers the opportunity to have fun during the summer while learning valuable skills for the employment world. Teens volunteer with our youth summer camps and help plan, organize and assist in the running of camp programs. Weekly group leadership discussions will cover: communication, time management, professionalism, customer service, work ethic, engagement, behavior management and safety.

• Volunteer benefits include:

- Develop customer service, time management and communication skills
- Receive on-the-job training and gain real work experience
- Work in teams and along side mentors
